Mangalagiri,
Date:01-05-2026.

To,
The President,
APSP MACH Society,
MANGALAGIRI.

Sub: Request for enquiry into defaults in APSP MACH Society and disqualification of Board of Directors – Reg.

*****

Respected Sir,

With due respect, it is submitted that the present Board of Directors is not functioning properly due to lack of knowledge of society rules. They appear to depend on a few directors, and in Board meetings, one person's decision is treated as final and approved unanimously. This is unfair to the Society and its members.

It is further submitted that in 2018, the ADGP, APSP constituted a committee for verification of records and audit of the Society. As per instructions, the committee verified the available records and submitted a report to the ADGP, APSP Bns, Mangalagiri. At that time, Society members raised concerns that certain amounts were misappropriated and suggested immediate audit of the Society.

Subsequently, some Society members approached the District Co-operative Officer, Hyderabad and submitted a representation to activate the Society and conduct a Special General Body Meeting. Thereafter, the DCO, Hyderabad addressed a letter to the ADGP, APSP Bns, Mangalagiri to conduct a General Body Meeting and elections in 2025. Accordingly, the ADGP constituted an Ad-hoc Committee for the purpose. The Ad-hoc Committee conducted elections and handed over all records to the newly elected Body.

The newly elected Body took certain decisions, including filing a Writ Petition before the Hon'ble Supreme Court, wherein the judgment was not in favour of the Society. The elected Body has not updated Society records such as the Membership Register, Share Capital Register, Flat Advance Register, and has not conducted audit from 2013 to date. Before elections, they had promised to update all records and complete KYC of the Membership Register. They collected Aadhaar cards and two passport size photos from members, but the work remains incomplete.

Recently, they published a voter list in which even members who had withdrawn their membership were shown. This indicates manipulation of the list. The Body has updated only the Society bank accounts and completed audit for FY 2025-26 alone, seemingly to expend Society funds on various grounds, creating chances for misappropriation.

Now the Society has issued an election notice for 7 Directors, including President, to be held on 07.06.2026. This is in violation of the Society by-laws. The Body should first complete the following pending works:

1. Audit of accounts from the last audit date to till date
2. Preparation of Balance Sheets
3. KYC of Membership Register
4. Updating Share Capital Register, Flat Advance Register, and other related records

Only after completion of the above, a General Body Meeting and elections should be conducted.

Further, as per by-laws of the Society, the post of President is reserved for the Head of APSP Battalions.

In view of the above, it is humbly requested to kindly issue necessary instructions to the Secretary to:

1. Stop the elections till completion of all pending works of the Society.
2. Publish a correct voter list after due verification.
3. Continue the post of President with the Head of APSP Battalions as per by-laws 33 (1)

We earnestly request you to intervene and save the Society from illegal acts of the present Directors.

Yours faithfully,
